Prayer Box Themes

Missions

This term, we have decided to link our prayer boxes and our missions to helping our global neighbours and being 'Pilgrims of Hope' to others.

We have decided to use Cafod World Gifts to help us achieve this.

Nursery:

Water for a family

We looked at pictures
of people who had no
water and talked about
how sad it was and why
we needed to help
them.

Once we had decided what we wanted to raise money for, we all voted and decided we wanted to dress up in a costume for the day to come to school.

**We went into the
hall and had a
dance party!**

We decorated biscuits
using icing,
marshmallows and
sprinkles.

Then, we got to eat
them!

Thank you!

Impact:

How did we help?	What could we do better next time?
We have raised money with our non uniform day Many of us are now more aware that some people have to drink dirty water and we want to do more helping. A family somewhere in the world will be given a water tank with safe clean water that will protect them from infection.	We could make something to sell. We could tell more people about the problem so more money could be raised. We could invite other people in the local area to join us so we can buy more world gifts. We could invite parents to buy a world gift ok our behalf so more people can be helped.

Reception/Year 1: Cafod World Gifts: 'Wonderful Worms'.

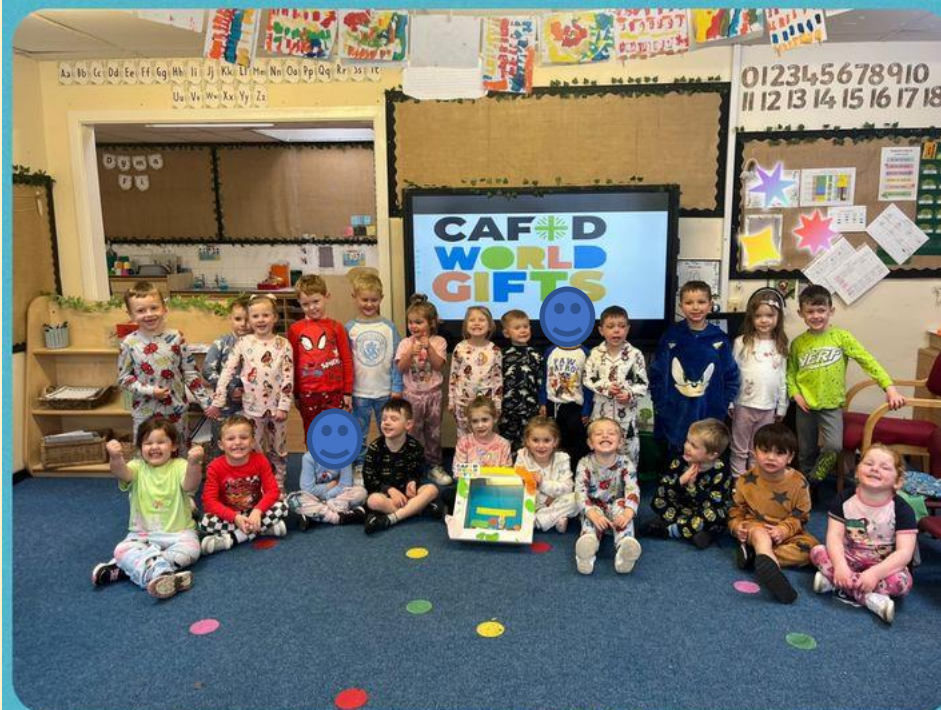

- Dosbarth Melyn decided that they wanted to wear their pyjamas to raise money for our gift!
- We needed to raise £12 for our CAFOD gift of wonderful worms! We achieved our amount and are looking forward to sending our money to Cafod.

- Dosbarth Melyn worked together to look at all of the Cafod World gifts on the Cafod website. We then had a vote and decided to go with the Wonderful Worms option.
- Cafod state that *'These little wrigglers are on a mission to help vulnerable farmers around the world grow more, more and more! The worms create eco-friendly compost for the farmers to use and sell at the market.'*

Here we are wearing our
pyjamas! :-)

Thank you!

Cafod World Gifts:
'Chirpy Chickens'

- Dosbarth Dyfi explored all the CAFOD World Gifts on their website, and after voting together, the most popular choice was 'Chirpy Chickens'!
- CAFOD explains:

"Our Chirpy Chickens gift is eggs-tremely popular! By giving chickens, you can help vulnerable families by providing them with eggs to eat or sell."
- To raise money for this, we chose an own clothes day. Our goal was to raise £20, so we kindly asked our parents to donate £1 each. We successfully reached our target and we are excited to send the money to CAFOD!
